*From the Desk of Principal:*

The Institutes of higher education play a pivotal role in the development a nation. These institutes produce the human resources today as academicians, planners, policy makers, scientists, technologists etc. who will lead the nation tomorrow. Thus, development of a country or region certainly depends on the growth and development of these institutions.

In order to fulfill the objectives of higher education, Panigaon OPD College was established in the year 1984. The college is affiliated to Dibrugarh University. The College was reaccredited (2<sup>nd</sup> cycle) with 'B' Grade by the National Assessment and Accreditation Council in its assessment in the year 2016. Celebrating the silver jubilee in the year 2009, it has already completed 35 years of its glorious existence extending the opportunity of higher education to the people of catchment area.

Presently the college has single Arts stream both in Higher Secondary and Degree level offering major in Assamese, English, Economics, Education, History, Political Science, Philosophy and Sociology. In order to create a student friendly and healthy academic environment, the college authority has always been trying to ensure the effective & regular classes in the college, maintenance of strict discipline, measures for continuous evaluation through class test, unit test and sessional examination, to make the students computer literate, skill development programme for self employment, career counseling initiatives etc. The college also offers learning facilities under distance education study centre of Dibrugarh University, KKHSOU study centre and study centre of Assam State Open School for higher secondary level.

The college has good infrastructures with all indoor and outdoor games facilities. A multipurpose gym was also started recently with all important equipments. Weight lifting facilities are also available in the college. An aerobic centre and yoga centre was also there in the gymnasium building. Indoor stadium is equipped with badminton and table tennis facilities.

Following the goal of pursuit of excellence, we have a strong dedication to take every possible step to make the institution one of the best institutes of the region. We are also committed to develop the students as productive assets to compete with challenges of changing world.

Dr. Suresh Dutta  
Principal

### B) B.A. in Arts under CBCS of Dibrugarh University

Choice Based Credit System (CBCS) has been introduced in B.A. Programme from academic session 2019-2020.

## Meaning and Goal of CBCS

Choice Based Credit System (CBCS) is a flexible system of learning. **It has two components:** First is Choice and the Second is Credit '**Choice**' provides more flexibility to students in choosing the subjects for study. CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs and interests). '**Credit**' defines the quantum of contents/syllabus prescribed for a course and determines the number of hours of instruction required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.

1 Lecture(L) per week	= 1 Hour duration
per week	= 1 Credit
1 Tutorial(T) per week	= 1 Hours duration
per week	= 1 Credit
1 Practical(P) per week	= 2 Hours duration
per week	= 1 Credit

### 1 Credit Course = 15-16 hours of lectures per semester.

A study course can have only **L** component or only **T** or **P** component or combination of any two or all the three components.

The ultimate goal of CBCS is to bring reforms in higher education so that students develop thinking as well as analytical ability he/she gets equipped with necessary skill ultimately making him/her suitable for employment and to integrate values of culture with education.

## Some important terminologies used under the CBCS :

**Academic Year** : Two consecutive semesters.

**Programme** : Programme means the entire course of study traditionally referred to as course-B.A.

**Course** : Course usually referred to as 'paper' is a component of a programme. A course may be designed to comprise lectures/ tutorials/laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/ term papers/assignments/ presentation.

**Credit Point** : Credit Point = Credit earned by a student x Grade Point earned by him/her.

**Grade Point** : Grade is the transformation of scaled marks secured by a student in a course (both in mid semester and end semester examination) on a 10-point scale.

**Semester Grade Point Average (SGPA):**

$$\text{SGPA} = \frac{\text{Total credit points earned in a semester}}{\text{Total credits allotted for that semester}}$$

**Cumulative Grade Point Average (CGPA):**

CGPA is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points secured by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters.

**CGPA=** Total number of credit points earned in all the semester ÷ 120 (the total number of credits in all the semester)

Conversion of Formula for the Conversion of CGPA in to Percentage :

$$\text{CGPA Earned} \times 0.75 \times 10 = \text{Percentage of Marks Scored}$$

## Continuous and Comprehensive Assessment(CCA):

Continuous and Comprehensive assessment is an integral part of CBCS. A continuous assessment system in semester system (also known as internal assessment/comprehensive assessment) is spread through the duration of course and is done by the teacher teaching the course. The assessment is done through various means including:

- Written tests
- MCQ based quizzes
- Presentations
- Projects
- Field visits
- Seminars
- Group discussions/activities etc

## Semester System:

The entire B.A. course is divided into six semesters. Each semester will consist of 15-16 weeks of academic work equivalent to 90 actual teaching days. Each week has 30 hours of instruction.

## Semester Duration:

- a. Odd Semester: June-November (including end-semester examinations and semester breaks)
- b. Even Semester: December-May (including end-semester examinations and semester breaks)

**Course Structure:** Courses in a programme may be of three kinds:

- a) *Core Courses: (Honours Courses): Core Course is the course which is to be compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study. It may be of two types- Hard Core and Soft Core. Hard Core have to be done without exception. There will be no choice available. Soft Core have to choose a certain number of core course out of the given number. Some degree of choice available in soft core.*

a) **Elective Course:** Elective course is a course which can be chosen from a pool of papers. Elective courses are of two types-Discipline Specific Elective which is intra disciplinary and Generic Elective which is inter disciplinary.

(i) **Discipline Specific Elective (DSE) Course:** An elective course offered by the main discipline/subject of study is referred to as Discipline Specific Elective.

(ii) **Generic Elective (GE) Course:** An elective course chosen generally from an unrelated discipline, with an intention to seek exposure is called a Generic Elective. A core course offered in a discipline may be treated as an elective by other discipline and vice versa. A student in a particular department can opt for General Elective Courses offered by other department only. For example- a student admitted under BA Hons. In History programme can not opt for General Elective Courses offered by the History Department.

## b) **Ability Enhancement Courses (AEC)/ Foundation Courses:**

The AEC may be of two kinds: Ability Enhancement Compulsory Courses (AECC). Ability Enhancement Elective Courses (AEEC)/Skill Enhancement Courses (SEC)

### (I) **Ability Enhancement Compulsory Courses (AECC):**

AECC courses are the courses based upon the content that leads to Knowledge enhancement. The universities participating in

CBCS system may have common curriculum for these papers. There may be one paper each in the 1<sup>st</sup> two semesters viz. (i) English/MIL Communication, (ii) Environmental Science. These are mandatory for all disciplines.

### (ii) **Ability Enhancement Elective Courses /AEEC)/Skill Enhancement Courses (SEC):**

These courses may be chosen from a pool of courses. AEEC/SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.
