and Accreditation**

Date : 22nd January 2023
Time : 11:00 AM Onwards
Venue: Conference Hall

Organized by
Internal Quality Assurance Cell (IQAC)
Morigaon College

About the College

Morigaon College was established on 1st July, 1964. It is one of the oldest institutions of higher education of undivided Nagaon district of Assam. It has already completed 58 years as one of the premiere institutions actively engaged in nurturing and disseminating ray of education in the region. The college is located in the eastern part of the Morigaon Town, which is also the headquarter of Morigaon district of Assam. It is 70 Km away from Dispur, the state capital of Assam. The nearest railway station is Jagiroad (23km) and nearest airport is LGB airport, Borjhar, Guwahati (96 Km). In its initial two decades, the college imparted education only in Arts stream. The Science stream was introduced in 1985 and set to open up a new dimension by facilitating congenial environment to pursue higher education in Science and cultivating scientific temperament. In 2002 the college introduced several vocational and job-oriented courses like Computer Applications, Industrial Fish and Fisheries and Functional Hindi. In 2012 Commerce Stream in degree level was also introduced with a view to fulfilling the need of higher education in Commerce. This fulfilled the long felt absence of an academic centre for higher education in Commerce in the whole region. In the face of the current socio-economic background the UGC has reoriented and reshaped its policies and programme to make the Indian higher education system more career oriented with focus on quality and excellence. In keeping with the spirit of UGC, Morigaon College introduced certain career oriented courses like Functional English, Translation and Proficiency and Entrepreneurship in Small Scale Industries from the academic session 2004-05.

It is expected that the professionally qualified graduates with solid knowledge on the core disciplines and enterprises will have better chances for recruitment in services, industries and self-employment sectors. The college has earned the pride of owing Postgraduate Programme in the department of Geography in 2017 and Postgraduate Programme in Zoology, which was started in 2018. In the same year the college has started another professional course on Food Processing Technology. In the U.G. level, Sociology (Regular Course) has been introduced and with it, the number of subjects offered by the college has gone upto 24.

IQAC

IQAC was established in the year 2008 with a view to revamping and consolidating the academic environment of the college. It has been functioning since its inception in 2008 as nodal agency for facilitating and updating quality enhancement and improvement of the institution. It plays a vital role in internalizing the quality culture within the institution to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution and also to promote the measures for effective institutional functioning towards quality enhancement.

About the Workshop

The National Level Workshop on 'NAAC Revised Assessment and Accreditation' is aiming at providing nuts and bolts of revised assessment procedures and processes of higher education institutions by

NAAC. The workshop is designed to streamline the required strategy and management for revamping the academic environment of institutions and to garner excellent grades in NAAC assessment. This one day workshop will provide a platform for exchanging ideas and insights about different aspects of NAAC evaluation and assessment among participants and with Resource Person. It is solely intended to empower the stakeholders of higher education institutions, particularly, principals, vice-principals, faculty members and non-teaching members about the NAAC assessment process. **Dr. Dharmadhikari N.S.**, distinguished Educationist and Strategist for NAAC Assessment and Accreditation, will join as Resource Person and will deliver lectures in two technical sessions of the workshop.
