

Dear Students,

I hope you are doing well and staying at home.

This is to inform you that Internshala has launched the **Young Achiever Scholarship** program to help all the deserving students build their dream careers through their online training programs and also learn new skills during this lockdown period.

Under this program, Internshala will be providing a scholarship in the terms of **free access** to its online training programs for all the eligible students. Through this scholarship, students can learn new skills in programming, data science, business, design, creative writing, etc. on Internshala Trainings through its short-duration online training programs. Also, all the selected students will be receiving a **certificate** after successfully completing the online training program.

Who is eligible to apply for the scholarship?

*Any student currently enrolled in a government recognized college (public or private) including distance learning programs with a history of **good academic performance** ($\geq 75\%$ in 10th, 12th, and in college) AND

*Whose annual family income is less than INR 240,000/- per year.

Students may visit - <https://bit.ly/Internshala-scholarship> to know more about this initiative, the eligibility criteria, and its process in detail.

Please read the complete process thoroughly before applying, so that you don't miss on any step, and also if you receive any payment reminder email or SMS from Internshala in between, please ignore them.

Please share this information with all who could make use of it.

Take Care
