

The department of history organised a one day Study tour on 27th march, 2023 in Majuli District for the major students along with two supervisors Mr Joyprakash Bhuyan and Abhinab Nath. The main objective of the tour was to understand and get a gist of various institutions working with the indigenous communities of Majuli District. With the support of Local guide, the students got the opportunity to visit institutions such as Majuli University of Culture, Garamur Satra and Auniati satra. The students and the supervisors are extremely grateful towards the local people of that area for their kind gestures and hospitality. The study tour to majuli was truly a success as the students were filled with knowledge which will be helpful in their practice-based profession. The following students of the department have participated in this field tour

Sl. No.	Name	Roll No.	Semester
