(AFFILIATED TO DIBRUGARH UNIVERSITY)

ESTABLISHED : 1984

2019-2022

EDITORIAL MESSAGE

The inaugural issue of our college News Bulletin for the academic year 2019-2022 is being presented to you by our team with the highest honour. During this session, COVID-19 has severely disrupted educational activity, forcing the closure of the majority of academic institutions, affecting millions of students and teachers worldwide. Since traditional studying and teaching are no longer an option in the midst of the COVID-19 pandemic, the teachers at Panigaon OPD College have moved to online teaching and learning techniques to help students stay focused on their studies. The New Education Policy (NEP) 2020 was approved during the COVID-19 Pandemic and intends to reorganize the educational system to meet the needs of the 21st century by achieving the dual objectives of inclusion and quality through universalization of education. Since the NEP 2020 will be implemented in our state commencing with the upcoming academic year, there will be many opportunities and challenges associated with this policy, particularly for rural colleges like ours. We are attempting to highlight some of our college's initiatives during the academic year 2019-2022 in this edition of the newsletter.

Finally, I would like to express my profound appreciation to the teachers, the whole newsbulletin team, and my student friends for their contributions and unwavering support.

I hope you enjoy reading.

Panigaon OPD College, Lakhimpur

Principal's Desk

Standing tall amidst lustrous greens on the north bank of Brahmaputra river, the college has been into the task of building educated youths of the Panigaon area since 1984. On the infrastructural side, the college has reached a stage where it can accommodate another stream or few more courses alongside the arts stream presently running with the eight departments. Academically, this year the HS examinations pass percentage was cent percent. In the graduate level, we have more students securing first class in their respective honours subjects and a number of our students could secure seats in universities through clearing entrance examinations. In the art and cultural sphere, our students are enriched with incredible talents and I can surely say that they will hold to the authentic roots of our Assamese culture. At times, seeing our students working part-time in various sectors to meet the study expenses resemble their attitude towards life like that of the students of western countries, which can be rarely seen among students of any other colleges around us.

Leading a team of hard working teaching and non-teaching staff, I believe we can achieve new heights for our college in the coming years. With this support-system our College could achieved NAAC B grade in 2016. In the light of NEP 2020, a huge transformation is under way and we can surely bring development in the education system through these changes. We are prepared to fulfill the urge of time that demands educational institutions to undertake social responsibilities and work as a catalyst to advent new dawn in our societies.

Wishing my best complements to the team who brought to light the first edition of Panigaon OPD College News Bulletin. Let this News Bulletin reflect innumerable achievements of our College and it's fraternity in the coming years.

Best of luck.

Dr. Suresh Dutta
Principal

A BRIEF PROFILE OF THE COLLEGE

The most prestigious institution of higher education in Panigaon, covering a considerable territory of Telahi and Kamalabaria Mouza in the District of Lakhimpur, was founded in the year 1984. The College is affiliated to Dibrugarh University, became part of the Deficit System of Grant Aid in 1996 and provincialized in 2005 in accordance with the Assam College Provincialization Act of 2005. It has already celebrated its Silver Jubilee in 2009, marking 38 years of illustrious service to the community by providing higher education opportunities. The National Assessment and Accreditation Council (NAAC) has assessed the College and renewed its accreditation.
